MY PLAN
WORKED. I
THINK WE'VE
LOST IT.

REALLY,
BRER LAPIN?

MEEP

MEEP

ABSOLUTELY!
IT CAN'T SEE
US UNDER HERE.
AND IT CAN'T
TRACK WHAT
IT CAN'T
SEE!

WELL,
IF YOU'RE
SURE...

I'M
POSITIVE! WE'VE
GOT THE HOOLY
COMPLETELY
FOOLED...!

I JUST
WONDER WHY I
STILL HAVE THE
FEELING WE'RE
BEING
FOLLOWED?

WAAH

BECAUSE THE
HOOLY IS BLIND YOU
IDIOT! HE'S TRACKING
US BY SMELL!

REMEMBER, BR'ER LAPIN, THE SPEED IS CUMULATIVE! IT BUILDS IN DIRECT PROPORTION TO THE ORIGINAL FORCE!

WE'VE ALL GOT TO JUMP INTO THAT OPENING AT THE LAST SECOND!

I WON'T DO IT!

FINE. STAY HERE.

OKAY. I'LL DO IT.

meep?

JUMP!

I
HATE THIS
DREAM-LOGIC
CRAP!

WELL,
WE'RE ALL
OKAY, I
THINK.

YEAH,
FOR NOW, HERE
IT COMES!

WAKA

BOOM

BOOM

BOOM

BOOM

BOOM

DON'T
WORRY, MY
QUEEN. I'LL
THINK OF
SOMETHING!

BOOM

BOOM

BOOM

YEAH,
RIGHT.

THIS SHOULDN'T
BE HAPPENING! THE
HOOLY IS THE SPIRIT
OF HEALING, AND
PROTECTION HERE!
MINDLESS VIOLENCE
IS NOT THE WAY
OF THE HOOLY.

GONE MUST
BE INSIDE
HER SOMEHOW,
PERVERTING
HER!

NOW
THERE'S A
FREUDIAN
IMAGE!

CRUNK!

THE LAND CAN
ONLY BE HEALED
WHEN THE HOOLY
REQUIGITATES
THE SPIRIT OF
GONE!

YOU MEAN
SHE'S GOT TO
THROW GONE
UP?

DON'T
BE CRUDE,
BR'ER
LAPIN.

HEY,
YOU'RE THE ONE
WHO BROUGHT
IT UP!

"HEY,
LOOK!"

"WHAT'S
THAT?"

"IT MUST BE THE

OFF THE VOLCANO,
RETURNING WITH

"ITS MASS MUST
BE INCREASED BY
A THOUSANDFOLD!"

"IT MISSED
HER! IT MISSED
THE HOOLY!"

YOU TELL ME.
MY OUTBACK HAS BEEN
CLEANSED. MY NEW
HOUSE IS FINISHED.
AND THOUGH PREGNANT,
I'M NO LONGER SICK
AS A DOG.

SO WHY
DON'T I FEEL
ANY BETTER?

I'M
LEAVING,
JULIE.

I... I DON'T BELONG HERE. I'M NOT THE MAXX NOW. NOT REALLY. I HAVE TO FIND THE LIFE I HAD BEFORE THE ACCIDENT.

FINE.

THEN GO. GOD KNOWS I'M NOT HOLDING YOU HERE.

BY THE WAY, WHY ARE YOU STILL WEARING THE COSTUME?

I'M NOT SURE. MAYBE IT'S EASIER IF YOU AND SARAH DON'T SEE WHAT I REALLY LOOK LIKE. EASIER FOR ME, ANYWAY.

DON'T BE SO BITTER. MANY GREAT RELATIONSHIPS BEGIN WITH A HIT-AND-RUN.

RIGHT. I'M ADULT ENOUGH TO SAVE BOTH OF YOUR BUTTS. JUST NOT ADULT ENOUGH TO SIT AROUND AND WATCH YOU EMBARRASS YOURSELVES!

SARAH, HONEY, THIS IS BETWEEN US ADULTS. WHY DON'T YOU--

DO YOU REMEMBER WHEN WE FIRST MET, JULIE? AT LEAST WHEN I FIRST THOUGHT IT WAS?

"LET ME TELL
YOU A STORY,
MAXX. OR
WHATEVER
YOUR NAME IS.

NOT THE WAY YOU

THE FAMILY.

SO
WE'RE NOT
COUSINS?

DISAPPOINTED?

WITH
YOUR LUCK,
ACTUALLY,
NO.

DO YOU
SUPPOSE HE'S
REALLY DEAD
NOW?

PROBABLY. AS
FAR AS I'M CONCERNED,
HE'S DEAD. THOUGH SOME-

AS TWO EYES AND BRAIN

PRETTY HARD TO KILL!

BUT I
THINK HE'S
STOPPED WALKING
AROUND INSIDE OF
MY HEAD, WHICH IS
ALL I REALLY
CARE ABOUT.

SO,
EVERYTHING'S
OKAY, THEN.
I CAN LEAVE?

WHY ARE
YOU ASKING
ME?

I KNOW.
IT'S JUST...

LOOK,
MAXX...

I JUST
DON'T KNOW
IF THIS IS THE
BEST THING
FOR YOU
RIGHT
NOW.

RIGHT.

NO, I MEAN IT,
LEAVING RIGHT
NOW COULD BE
DISASTROUS.

I CAN'T BELIEVE
YOU'RE SABOTAGING
HIM THIS WAY. YOU'RE
SUPPOSED TO CARE.

COME ON
GUYS, CHEER
UP! EVEN THOUGH
IT SEEMS LIKE
EVERYBODY'S
SUFFERING AND
HURTING ON THE
OUTSIDE...

...WHAT'S REALLY
HAPPENING IS, DEEP
INSIDE JULIE THERE'S
A HEALTHY QUEEN, A
HEALED OUTBACK, AND
A BIG HAPPY BUNNY!

SARAH, HE
STILL NEEDS ME.
I COULD MAKE
HIM STAY, I KNOW
I COULD.

I BELIEVE
YOU, JULIE. BUT
WHO'D YOU BE
DOING IT FOR?
HIM...

...OR
YOU?

DAMN
IT.

THIS IS JUST
GREAT. I PUT MYSELF
IN EMOTIONAL JEOP-
ARDY AND HE LEAVES
ANYWAY!

AT LEAST
YOU SAID WHAT
YOU REALLY FEEL...
FOR ONCE.

IF THIS IS
GONNA BE ANOTHER
LECTURE ON MY
POOR COPING MECH-
ANISMS, I'M REALLY
NOT UP TO IT,
SARAH...

I THINK
MAYBE THIS IS
WHAT MY DAD
WAS SAYING ON
THE TAPES...

WHAT? THAT
I HAVE TO LOSE
MY **BEST FRIEND**
AND HAVE MY **GUTS**
KICKED OUT THREE
DAYS BEFORE I HAVE
MY FATHERLESS
BABY?

NOT IN
SO MANY
WORDS, BUT...
YEAH.

BESIDES,
MAYBE YOUR
BEST FRIEND
DIDN'T GO AWAY.
MAYBE SHE'S
STILL HERE.

HLIH?

SARAH, YOU'RE TOO YOUNG TO UNDERSTAND THIS YET. BUT GETTING YOUR HEART STOMPED ON SUCKS! I DON'T FEEL ANY BETTER! I'M NOT HAPPY!

SO WHO IS?

SARAH, EVEN IF YOU'RE RIGHT, AND ON SOME OTHER LEVEL I'M AT PEACE...

...HERE IN THE REAL WORLD, I STILL FEEL UNHAPPY.

MAYBE IT'S NOT ABOUT HAPPINESS. MAYBE IT'S ABOUT SURVIVAL. YOU SURVIVED.

LOOK, THIS STILL ISN'T GETTING THROUGH, IS IT?! OKAY, ONE MORE TIME FROM THE TOP. I DON'T FEEL--

I THINK I LIKED HER BETTER WHEN SHE WAS SCREWED UP.

Dear Sam,

I just picked up Issue #18 of *The Maxx* and felt that now was a propitious moment to write. It seems, based on one of the letters in *Maxx Traxx* and corroborated by an interview in a comics preview magazine, that the series will be time-warped 10 years into the future and concentrate on Sara and her outback, beginning with Issue #21. While I have no objections to this [after all, Sara is as much a part of the series as *The Maxx* and *Julie* and it is your work], there are some concerns that I and possibly several other fans have. Mainly, what happened to *The Maxx* and *Julie*?

Someone once said that a story lives when the characters grow beyond the bounds of their definition. They become more than just the words they speak or the actions they perform. They take on a life of their own and have a part in deciding what paths their lives take as much as their creator. That is why there are bad stories about good characters, stories that just "don't work." The writer tries to make the characters do or say something that is partly or wholly inconsistent with who they have become.

The characters in *The Maxx* live. I could not believe for a moment that Julie would vanish from *The Maxx's* life, never to be heard from again. Of course, this phase of *The Maxx's* life isn't over yet so perhaps something will happen in the next two issues that would change this. Wishful thinking on my part hopes that it won't.

Sincerely,
Gary D. Snyder

Ciao Sam,

I'm a 20 year old Italian student and when I started to collect the *Maxx* I didn't understand anything! Your book is very difficult to read for a boy that knows little English.

But your incredible art is easy to "read," and it's easy to love. It was the art that kept me buying the *Maxx* for the first half dozen issues, but after my translating skills improved I began to taste the real *Maxx* and to enjoy it so much that your book is now in my top ten hit comics!

I'm very glad that you intend to conclude this storyline in Issue 20 because I love the complete stories that don't go on, and on, and on, and... (you get it), but what makes me even more happy is that you'll start

with an all new, all different storyline focused on Sara. She is my favorite character with her dad and the prisoner in Issue #16. I'm sure it'll be great if you keep doing the art and the writing, with Bill of course!

And now I have some questions for you:

- (1) Why not another #1 (vol. 2) instead of Issue #21?
- (2) Will the *Maxx*, *Julie's Maxx*, still be around in the new storyline?

Keep up the good work!

Your greatest Italian fan,
Marco 'Gambit' Bergonzini

Some folks feel ripped off by another #1. They also feel more like a real ending/beginning. I decided to continue numbering in the old series because it's the same universe, just ten years later. There's still more of the old story to tell, too.

Nothing disappears without a trace!

Incidentally, I keep spelling Sara without the "h" in my sketchbook and Bill keeps adding one. One of these days we have to get that straightened out...

Sam,

My mom read No. 1 and said it was weird, twisted and sick. Keep up the good work!

Dear Sam,

URGENT!!! For the past few months my fellow MAXX-head and I have been flooding Todd McFarlane's E-mail address with letters demanding the immediate production of our MAXX action figures. Well, lo and behold, in Issue #17 you announced that our MAXX toys will finally become a reality. At last, I thought, the fruits of our labor have been realized! But don't thank us yet, Sam. In order to have the ulti-

mate MAXX toys, you *MUST* remain true to the MAXX mythos. In other words, we want our Julie toys fully equipped with pot-belly and stubble! We want our MAXX figures to include his cardboard box and street clothes! Yes Sam, you must include the dwelling of the MAXX! Sam, I trust that you will not let us down. Don't let success elude you because you forgot to consider these basic MAXX-like elements! What follows is a list of what we'd like to see:

1. Out Back MAXX (don't forget the big feet and the bagels)
2. Jungle Queen with pet leopard
3. Mr. Gone with Glow-in-the-dark hand (and detachable head)
4. Outback animal set (seussadons, crabbits, slugs, etc.)
5. Little kids' package (Harry, Linc, Jaster etc.)
6. L'il Julie (with rabbit box, MAXX skull, and baby leopards)
7. Uncle Artie
8. Pregnant Julie (with red hair)
9. Buick
10. Julie's mom with bloody shovel

So there it is, Sam, do us proud. Pez will soon be ours. **LONG LIVE THE MAXX!!!**

All right guys,

I'm going to try this again. I'm going to write to you in the hopes that this time you will print my letter. I don't know what I did last time to offend you so much that you wouldn't print it, but I hope that I don't do it again. I mean, what did I do last time? I heaped tons of praise on both you, Mr. Kieth, and you, Mr. Messner-Loebs, and you didn't print my letter (although, having tons of praise heaped on you might be painful, because I hear that stuff is real heavy **[unless it's faint praise—sorry!]**). I gushed about how cool the book and all the characters within are, and that each month you manage to bring a little ray of sunshine to all of us fanboys/girls' collective little hearts, but you didn't print my letter. I used lots of cute little quips and pop-culture references, and you didn't print my letter (although, I'm doing that in this letter right now, aren't I? So I've pretty much doomed my chances of seeing this one in print, too, huh? D'oh!).

So I decided, in this letter I'm not going to do any of that (except for that part about the quips. Shut up Vladimir! Ah, the beauty of multiple personalities). No, this letter is to, for, and about all my fellow Maxx-heads out there. And I'm not talking about the people who discovered The Maxx solely because he was on MTV (you know the types, the people that used to beat us up in high school, who watch "The Real World" because they think it's high drama). I'm talking about the REAL Maxx-heads out there. You know who you are.

Kwiterbitchin. We get hundreds of letters each month, and we read every one. We laugh, we cry, we throw 'em away (but never yours, of course!). And some we print. Go figure.

Aw gee—unbunch your panties. We don't really throw any away, honest. We're saving them all for Maxx in case he goes middle class some day and buys a house where he can sit on the patio and read them.

Two people wrote asking about the plural of "Is." But we're bored with answering that question, so see Maxx Traxx, Issue #2.

Dear Sammy K,

Just wanted to let you know Mr. Gone as a sh*tmonster vomited from a toilet is pretty good. I laughed for days. I also thought those flying frogs were essential to the story, but then, so was that butt shot of the Hooley.

Dear Sam and Bill,
You're swell. I just want to bite you all over. Good book. Yup. I'm not going to summarize to you guys what you already know (considering you wrote it) so here's my opinion on everything: Clockwork Orange is good, I NEED A MAXX PEZ DISPENSER, Bill Loeb's kicks my ass, and I want you to keep going after #20. Really bad. But only if you want to, huh?

Dear Sam,
Recently, and for reasons that aren't worth retelling, I was reading Issue #12 of "Spaced" by Tom Stazer, published by Eclipse in 1987. And what do I see on the first page of the comic? Something that looks surprisingly like an Is, operating a hologram projection machine!!

Bug (Bee)

Tom mentions you in the back of the book in connection with a possible future cover of "Spaced" (unfortunately #12 is the only issue I own), but he doesn't give you credit for the Is on page one.

Is this the first publishing appearance of an Is? I'd love to hear the whole story, as I'm sure would all of your rabid fans.

Mike Crouch

P.S. A big hello and a scratch behind the ears to Morocco, party dog, of Ish #13.

That was back in my black & white

days when I couldn't get arrested, let alone published. I kept sneaking Isz into other people's b/w books in hopes of poaching some validity. It never took, but Tom was nice enough to stick a totally irrelevant Is in his story.

I see everyone's nodding off as we stroll down Memory Lane. Moving along...

Dear Sam,
As always, Bill Messner-Loeb's and you have teamed up to produce the weirdest of weird tales, but with the conclusion to the current story arc being only a couple of issues away, things do feel as if they are slowly starting to come together. Layer after layer, the thick plot is being uncovered as well as the truth behind the main characters of the book and their connection between one another. Maxx, Julie, Sara, Mr. Gone, even the Isz—it's slowly starting to make some sense, in that recent issues have begun answering some of the dozens of questions raised in the first issues of the series.

Snake

Of course, this book wouldn't be this book if answering questions

would not include throwing in some of the weirdest of occurrences. For this issue, the abominable Hooly fits the bill. Seeing how this character, monster, beast or whatever, is able to kill anybody with his head—swatting them like a mere fly—makes me wonder who spiked the punch you were drinking when you came up with the Hooly! Ouch!

Olav Beemer
The Netherlands

It took Bill a while to warm up to the Hooly. He kept asking me, "What the hell is this Hooly thing?" After being confronted by a horde of fans chanting "Beware the Hooly" at a recent signing, however, he smartly changed his mind. Now he, too, is hangin' with the Hooly.

Dear Mr. Kieth,
What's with Julie coming back with red hair? And why did she leave her record collection just sitting there?

Yup.

Hi Sam!
There's one thing that

has been bothering me for some time now, and I can't figure it out. When did Sara's dad kill himself? (OK, he didn't really, but anyway:) was it when Sara "was young, too young to remember," or was it "three years ago?" And how come no one else pointed this out yet, or are you censoring all mail about what looks like a monstrous goof?!

Trembling with anticipation,
Thomas Okken
De Bilt, Netherlands

The answer is "too young to remember." "Three years ago" is a goof. (Actually, Sara's mother

Wolf

lied, wanting Sara to believe he suicided instead of being a rapist.)

Dear Oh Great Father of MAXX,

Being 11 years old, I am one of the younger Maxxheads. So this is a legit question. Why is Mr. Gone the villain? I mean, he's actually good for Sara, Maxx, and Julie. I mean all he does is tell the TRUTH! Which brings the question, how will the truth kill Julie?

MAXXhead
Matt Fisher
Ormond Beach, FL

Well, Matt, you hit upon the very problem we never could figure out—the old Hannibal Lector many-sided dimensional villain problem. The flip answer is that Mr. G. is so twisted and corrupt that he doesn't even make a good villain. But the real answer is that Mr. Gone's role as antagonist is about finished for this story.

In #21, he becomes just Sara's dad. But there'll be a new villain from Sara's out-back, and it's all set in motion by that little yellow banana slug that was squished in this issue...(hint: he's not completely dead...)

Some people who write in are really down, really depressed. Remember that even Maxx has some compassion for the ugly ducklings and underdogs, including himself (and even I have to have some compassion for myself in order to get out all this bad art every month!). To quote the great Frank Zappa: "I just want to say something to all the beautiful people out there. There's more of us ugly mothers out here than you. So watch your step."

Dear Sam,

I am not that popular or "cool" at school. (Hell, the Maxx is cooler than me.) I have no friends and there is no way I could ever get a girlfriend. Most of the time I just look away to the stars, never my mind on where I am or what I am doing. The only way I get attention is to recite lines from the Star Wars trilogy. I keep my sanity by hanging out with

my action figure collection and reading comics. I can feel reality slip away every day but then it comes back and smacks me in the face and I realize how bad off I really am. I wrote this letter just to say The Maxx kicks ass and to tell the world (or just Maxx readers) that I AM A LOSER!!!!!! Well Spawn and Zealot want to go watch Empire Strikes Back, so I'll be back.

Another word for "loser" is "underdog." Chris Olson, the frustrated fan-letterwriter from before, says it best:

To me, The Maxx isn't just a mere comic book. It is a way for us to communicate with like-minded people, and under-

stand not-so-like-minded people. It allows us to cross almost any type of barrier. There is no black or white, man or woman, adult or child, dog or cat, up or down, north or south, nothing. You see, deep down inside there is one thing that binds all of us true Maxx-heads together, and that is the fact that, all of us, in our own little ways, are the misfits. But there is no shame in that. The Maxx points out all the other misfits so we can find them, and stand alongside people who share the same things, think the same thoughts, and feel the same feelings. The Maxx shows us that we don't have to feel alone or afraid, and it reminds us that those like us aren't always out in the open enjoying the sunlight. Sometimes you have to lift that moss-covered rock up, just to find your friends.

So rejoice, misfits! Someone has at last lifted that rock, and we have all made the pilgrimage to huddle together in the shade. And whether you listen to Bowie or Eighties music, if you really dig Blade Runner or just have a weakness for ice cream, relax! There will be someone who feels the same way.

Thanks, Chris. See you all next month!
